OMACHE

Omake

1951

Edited By

Of Omake High School
Omake, Washington

Dedication

This Omache is dedicated by the senior class of 1951 to our coach George (Gabe) Gablehouse. He came to Omak in 1948 from Eastern Washington College of Education where he was little All-American in basketball. Since that time Mr. Gablehouse's basketball teams have won a sportsmanship award and a County Championship. His tennis teams won two County Championships.

This year, our third year in the Class "A" division, our basketball team won the North Central Washington Championship and made us known as a team not easily beaten.

Coach Gablehouse has set a fine example for his team by good sportsmanship, clean living and fair play. He built up an inspiration that will long be remembered by all of us. But above all else he is our friend.

The Student Council, whose membership consists of student body officers and elected representatives from every class and club of our school, has just completed a very active year. They were instrumental in the revision of the social rules to permit more frequent dances and to allow buses to transport students to games in this county.

O.H.S. Student council was host to the All-County Council at a dessert in April. There were also two joint meetings with Okanogan.

Another major project is a handbook explaining traditions, courses, etc., which will be given to all students entering high school next fall.

Senior Class Memories

It was the first day of school in the year 1939. Children were bustling around getting ready for their first peek at education—little did they know what lay ahead.

Year by year we contributed to society. The first year, under the instruction of Miss Rice and Miss Cordes, we constructed block cities which added to the success of the Stevens school carnival.

In the second grade we pooled our talents to form a rhythm band. Everyone became familiar with our one and only accomplishment "March of the Toy Soldiers".

In the third grade, after two years of worthwhile learning, Ray Houston became our favorite entertainer for the morning story hour with his fantastic tales of home life.

During the fourth and fifth grades we presented "It's a Grand Old Flag" and "The Highland Fling". Pat Stafford sent for Charles Atlas' muscle-building kit so she could beat up Gene Jackson. Shirley Smith got sick when the boys kissed the girls and this led to a half hour lecture by Miss Israel.

When entering Jr. High we accepted responsibilities more readily. Mastering the two-step was the great problem. (One—two—back. Remember?) The greatest accomplishment was made by Boots Mercer, the day he spelled *antidisestablishmentarianism* — the longest word in the dictionary. But Boots wasn't the only one who had brains. Evalyn Emert was student body president and Bob

Rogers won the scholarship award. As far as good behavior is concerned, Joyce Van Brunt received the "good citizenship award". Our ninth grade party was another outstanding feature with "Now Is the Hour," the theme, presenting lighted candles in a wash tub of water.

High School brought many experiences which were new to everyone. Several of the fellows in their Sophomore year received letters in football and basketball. We were proud of having Shirley Smith as one of the yell-leaders and football princess and Mary Wicks receiving the \$5.00 scholastic award.

We are sure everyone will remember the junior year. "Suddenly It's Spring" our prom theme brought us many thrills—remember the ceiling? For a while we thought it would be "Suddenly It Fell." This was sponsored by the selling of pop under the supervision of Wes Marshall, class president and Mr. Oates, class adviser.

The great days have arrived! We are no longer looked down upon; we are seniors. We wish to thank the under-classmen and also the teachers who have helped us to reach our goal in such a pleasant manner.

When we leave Omak High School to go forward in life as adults, we shall all remember the scent of roses in the blue and silver, and the thought, "Tonight we launch—where shall we anchor", as one of the important steps of 1951, as well as the many happy days we have spent there.

The next game on our home field was with Cashmere and we won 13 to 6. The next week we journeyed to Chelan and were beaten by the Goats 32 to 6. On October 27 we played the Tonasket Tigers for the County Championship and lost 20 to 14.

This year Coach Gablehouse did a wonderful job by coaching both the A and B squads. The A squad won the title of N.C.W. Champions. They did this by defeating all the teams in the newly formed A league. At the district, Omak came in third. They lost their first game to Walla Walla and won the second from Wenatchee. The third game was a "heart-breaker" as they lost to Clarkston by one point.

Weldon Lamb was named Inspirational Player by the team. Bob Rogers was named captain, and Ronnie Baines will be next year's captain.

Omak set a record for the number of points scored in one game. They were second in the state for the points scored in one season.
